KIERLAND BUSINESS CENTER

EXECUTIVE SUITES

Where your vision becomes reality

Vision Offices. The leader in flexible office solutions. With a full range of alternatives to accommodate your company's ever changing needs.

The Complete business package

With today's evolving business environment you need all the flexibility you can get. Vision provides alternatives to inflexible costly standard solutions. From personalized telephone answering and mail service to furnished executive offices - Vision offers our clients flexible terms and programs to keep them competitive.

Prime Business location:

Vision - Kierland Business Center is an ideal business location in a prestigious 730 acre master planned community in Scottsdale Arizona, just minutes from downtown Phoenix, located near Scottsdale road and the Scottsdale airport.

Amenities

Kierland Business Center is a complete corporate environment with all the amenities Vision clients have come to expect. The facility is architecturally distinct with complementing facades, textures and colors and literally designed around you the executive suite tenant. 100% of our offices have views of either the world class Kierland golf course, the McDowell mountains or our lushly landscaped fountained courtyard area. We are located seconds from the Princess and Westin resorts the largest and most renowned resorts in the valley as well as host of business class hotels literally within sight. Vision clients enjoy 24-hour access to their offices and convenient covered parking is always available. Any way you look at it Kierland business center has something for everyone.
