You run your BUSINESS, we'll run your OFFICE

Welcome to Vision Offices

Vision Offices is the ultimate in flexible office solutions. We offer a global network of office solutions including Virtual Offices, ServiceSuites, TechSuites, FlexSuites, and meeting rooms--all fully equipped and ready to meet any office need that you may encounter.

- Enhance the image and productivity of your business through one of our cost-effective, professional office environments.
- Utilize our complete array of business services including professional receptionists, fax machines, copiers, printers and computers plus enjoy complete access to desktop publishing, corporate design, clerical and shipping services whenever the need arises.
- Take advantage of the latest technology--from high-speed internet access and state-of-the-art conference, team and multimedia presentation rooms to our internet café, all standard at each of our locations.
- Meet your clients at any of our prestigious business locations worldwide at no additional cost!

Our Unique Vision

Capitalizing on our extensive real estate development experience and seeing a need in the market, Vision Offices has created a revolutionary office environment. The result of our vision is a superior office solution delivered to you in a fresh and innovative way that we call Vision Offices Corporate Village. This new business community focuses on optimizing your company's business efficiencies by being completely flexible and tailored to meet your ever-changing needs.

Vision Offices Corporate Village Solution

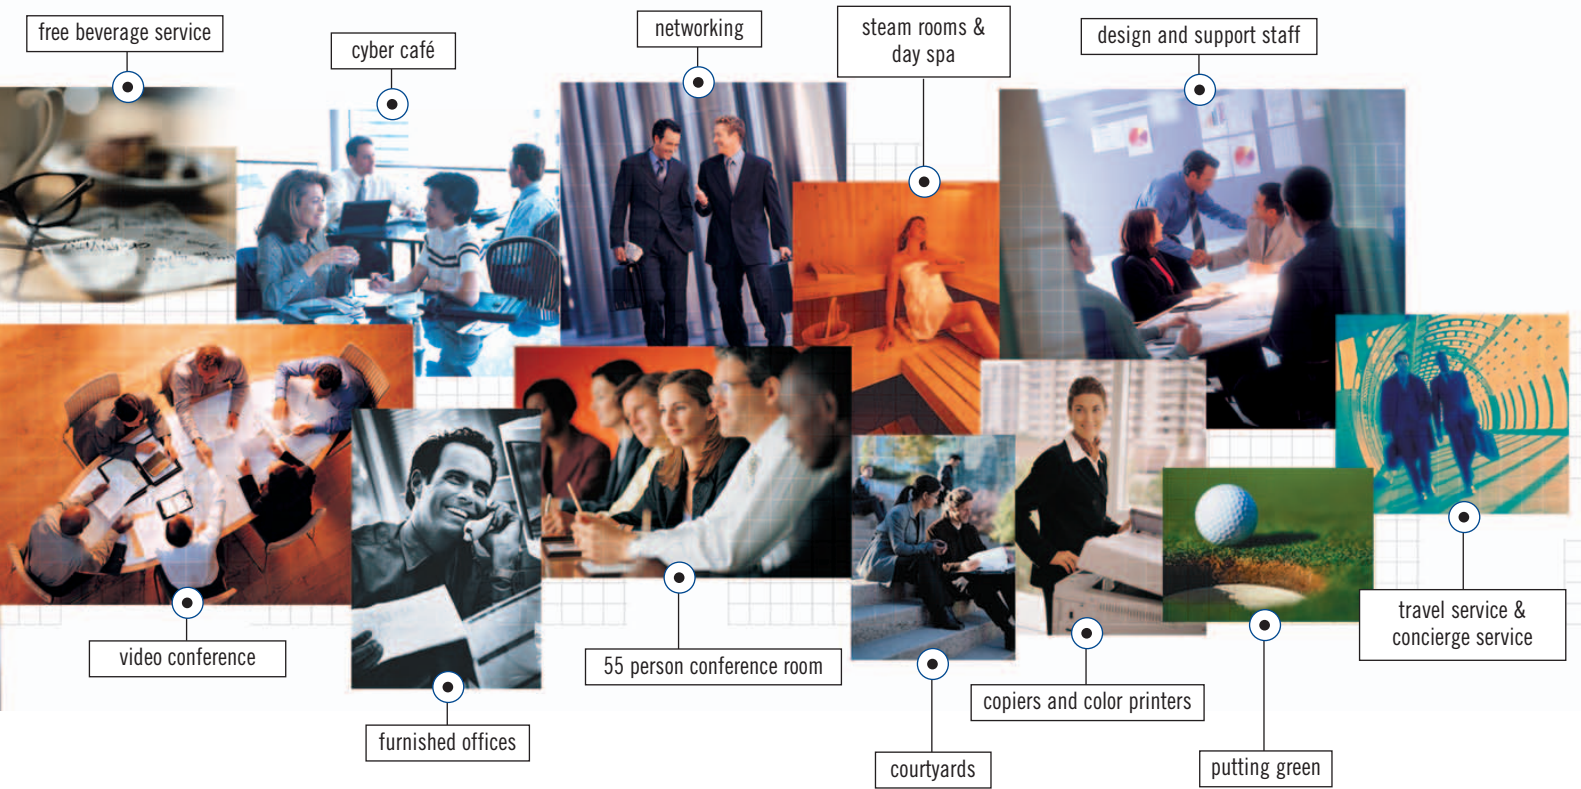

With today's fast paced ever evolving business environment you need all the flexibility and amenities you can get at your fingertips. That is why Vision Offices created the ultimate office environment. Our goal is to provide you with all of the traditional executive suite services with all the amenities that you could dream of. From personalized telephone answering and furnished offices to a rock climbing wall, gym and day spa - Vision offers our clients everything that they may need within a workday.

Prime Business location:

Vision - Corporate Village is the ideal business location, situated within minutes of the 101 freeway and the Scottsdale Airpark, which provides convenient access to all major highways. It is in the heart of North Scottsdale's business and cultural district with easy access to restaurants and shopping.

Architecturally unique in every way, Vision Offices Corporate Village brings everything you need to run your business and manage your day under one roof.

Amenities

The Corporate Village is a complete corporate environment with all the amenities Vision clients have come to expect. The facility is architecturally distinct with complementing facades, textures and colors and literally designed around you the Vision tenant.

If you're an employer or employee, you win either way.
